CPD REQUIREMENTS

Radiologists must document 15 continuing professional development (CPD) breast related credits completed within the past 36 months. A minimum of 7.5 of those credits must be from accredited activities and substantiated with certificates of completion. On your profile’s **Home** page, in the **Program Requirements** section, click on “**View CPD details/Enter CPD activities**”, you will see your total number of qualifying (completed within the past 36 months) accredited and non-accredited CPD credits.

The screenshot shows the CAR MAP website interface. At the top left is the CAR logo with the text "Canadian Association of Radiologists" and "L'Association canadienne des radiologistes". Below the logo is a navigation menu with the following items: Home (circled in green), Profile, Affiliations, CPD, Processes, Standards, and Documents. The main content area is titled "Program Requirements" and "MAP/PAM Radiologists/Radiologistes". Below this, there is a link "View CPD details / Enter CPD activities" with a hand cursor icon. The main content area is titled "MAP/PAM Radiologists/Radiologistes" and features a yellow warning banner that reads "0 qualifying credits of 15 Required".
